

SPRING 2008

Red Rock Canyon State Park

Campfire Programs & Walks

Campfire programs are presented in the Campfire Center (behind the Visitor Center) or inside the Visitor Center. Nature walks begin and end at the Visitor Center, unless announced otherwise. Campfire programs are subject to weather, illness and various technical problems and thus subject to change without notice.

We try very hard to make them happen, but sometimes they don't.

Saturday nights = campfire programs

Sunday mornings = Nature Walks

Movies on the area at the Visitor Center Saturday afternoon
(check board above desk for what is playing)
